REMARKS

This is intended as a full and complete response to the Notice of Non-Compliant Amendment mailed May 31, 2006.

In response to the Examiner's Restriction Requirement mailed March 24, 2006, Applicants provisionally elected the Claims 1-3, 4-8, and 30-51, drawn to crawling data given certain criteria in a network, with traverse. Due to a clerical error, in the response the status identifiers of the non-elected claims were indicated as "original" rather than "withdrawn." By this Response to Notice of Non-Compliant Amendment, the status identifiers of the non-elected claims have been changed from "original" to "withdrawn." As such, the Response to Restriction Requirement filed on March 31, 2006 now complies with current requirements

CONCLUSION

Applicants believe that all claims presently pending in this application are in condition for allowance. If however, the Examiner believes that there are any unresolved issues requiring adverse final action in any of the claims now pending in the application, it is requested that the Examiner telephone Eamon J. Wall at (732) 530-9404 so that appropriate arrangements can be made for resolving such issues as expeditiously as possible.

Respectfully submitted,
